### **ACADEMICS**

LHSAA policy will determine eligibility for student-athletes. An additional expectation for our program is that student-athletes should maintain a 2.0 GPA and have no failing grades in classes. If a player fails to meet this standard, he could be suspended until the problem is corrected. Study hall is mandatory for student-athletes. Student-athletes are required to bring classwork or study material during study hall, or they will be removed from the team until the issue is corrected. Student-athletes who maintain a 3.5 GPA or higher may be excused from study hall, unless their GPA falls below a 3.5.
