

SCA Information: Parent/Guardian and Student Athlete Acknowledgement Form

Starting August 1, 2024, Louisiana Law [Act 421 (R.S. 17:440.3)] requires schools to inform parents and student athletes about heart health. Schools must provide written information about the requirements a student athlete who has or has had a heart-related issue must meet before participating in sports. This information must be given to parents and guardians, and they must sign to show they have received and understood it. This ensures proper communication and safety measures are in place for student athletes returning to play.
